with Fatal Results. JERSEY CITY, May 27 .- A terrible disaster, causing the loss of four lives and why don't you go to her at once?" the more or less serious wounding of an unknown number of persons occured at half-past six this morning. Four families were living in Patrick Anderson's four-story tenement house, situated on the west side of Colgate street between First and Second streets. They were about their usual avocations at that hour, when they were startled by a low roar as of cannon at a distance. This was followed by the creaking of timber. The building began to tremble. All the talk about the farmers suffering from the fall in the price of grain is nonsense. To begin with, when wheat drags other commodities down, farmers get more of them in exchange for it, and then they can easily change from year to year their system of culture. There is no earthly reason why American farmers should insist upon increasing their production of wheat when they see that New Zealand, Austria, India or Russia can undersell them in the markets of the world. The point is to knock out of the American farmer's head the obsolete idea that this country is the only granary in the world. Our corn will always find an increasing

Ayer's Sarsaparilla.

From E. S. Russell, Druggist, Nashwa, N. II. I have been in the drug and prescription business in Nashua over forty years, and am the oldest druggist here. I was the first to introduce your valuable medicines in this city. I believe in them. Ayer's Sarsaparilla I take pleasure in recommending to my customers, well knowing it to give satisfaction. In all my experience, as a druggist, I have yet to hear the first complaint against it.

From F. & E. Bailey & Co., Lawell, Mass. Having sold Aver's Sarsaparilla since it. was first placed upon the market, we can say, after an experience covering a quarter of a century, that we have yet to learn of a case where it has failed to give satisfaction. Its merits are fully established.

From C. Way & Co., Portland, Me. We have used Aver's Sarsaparilla for years, and our customers are much pleased with its effects. We believe it to be one of the best medicines in the market.
